Faust v. City of Lancaster, et al.

Chief William R. Seace, 9/23/08

<p style="text-align: right;">Page 13</p> <p>1 Q. Are they with anyone specific or at a 2 specific location? 3 A. We assign a counselor out of 4 Chester -- I'm sorry, West Chester, Pennsylvania, 5 and I don't know the specific doctor's name at 6 this time. 7 Q. During the hiring process of law 8 enforcement officers, are psychiatric evaluations 9 conducted? 10 A. We send them down to the doctor's 11 office for their evaluation. 12 Q. When they were originally hired? 13 A. When they were hired, yes. 14 Q. When an officer appears for a shift, 15 who assigns the officer's schedule for that day? 16 A. I'm sorry, what was that? 17 Q. When an officer appears for his shift 18 or her shift, who assigns the officer's schedule 19 for that day? 20 A. In a small department, we have 21 Sergeants on duty. However, the patrol work is 22 generated according to the calls coming in. It's 23 not specifically related to any one individual 24 doing a specific job.</p>	<p style="text-align: right;">Page 15</p> <p>1 November 7th and 8th surrounding the shooting of 2 Officer Miller? 3 A. Yes, I am. 4 Q. Are you aware that Officer Miller 5 informed the hospital staff he used drugs? 6 A. No, I was not there, so I have no 7 knowledge. 8 Q. Are you aware, prior to November 7th 9 and 8th, that Officer Miller or Detz set up or 10 conducted a surveillance of Daniel Faust's 11 residence at 63 Heron Drive prior to the service 12 of the warrant? 13 A. I'm not aware of it, no. 14 Q. When did you first become aware that 15 there had been a surveillance of Daniel Faust's 16 property beginning on the 7th and continuing on 17 the 8th? 18 A. I was aware of it after the shooting. 19 Q. Is it standard that you would not 20 know about a particular surveillance being set up 21 by officers? 22 A. My officers are -- they generate -- 23 sometimes they generate their own cases, and they 24 follow through with their own cases and</p>
<p style="text-align: right;">Page 14</p> <p>1 Q. How big is Lititz Borough? 2 A. It's about 10,000 people. 3 Q. Square miles, if you know? 4 A. Between two and three square miles. 5 Q. I just noticed the map today. You're 6 completely surrounded? 7 A. Completely surrounded by 8 Warwick Township, correct. 9 Q. There's some working agreement 10 between Lititz and Warwick Township? 11 A. Yes, there is. 12 Q. What's that agreement? 13 A. That's a municipal aid agreement that 14 was enhanced. There is a Lancaster County mutual 15 aid agreement with all the departments, and then 16 Lititz Borough and Warwick Township entered into a 17 more detailed municipal aid agreement because of 18 the close working relationship we had with the 19 township and vice-versa. 20 Q. How many officers are there in your 21 department? 22 A. Thirteen and one civilian police aid. 23 I sometimes count her. 24 Q. Are you familiar with the events of</p>	<p style="text-align: right;">Page 16</p> <p>1 surveillance of a particular house for whatever 2 reason, and I don't need to necessarily know about 3 it. 4 Q. Do you know how Officer Burdis became 5 involved with serving the Borough of Lititz Police 6 Department warrant upon Daniel Faust? 7 A. I don't know. It would have been 8 after the fact. 9 Q. What is the normal protocol for your 10 Department serving a warrant for a person's 11 arrest? 12 A. Protocol is, one, notify your 13 supervisor, and let them know. I'm sure my 14 supervisor was notified. It would possibly 15 involve surveillance of a house. Obviously, the 16 part of it is the warrant itself, what they're 17 being served on and the reasons behind serving the 18 warrant. 19 Q. Officer Miller and Detz, in their 20 training, would they be trained to show their 21 badge and inform the suspect that they had a 22 warrant for his arrest? 23 A. They're in uniform, and their uniform 24 has a badge, and they usually identify themselves</p>
